

CITRUS SUPREME

Natural Citrus Cleaner & Degreaser

No. 804

DESCRIPTION:

Citrus Supreme is a versatile, safe to use, biodegradable, natural, cleaner/degreaser designed for industrial, automotive and commercial applications. It does not leave a strong solvent odor or contain harmful chemicals that may endanger the user.

FEATURES:

- **Biodegradable** - contains no harmful solvents such as carbon tetrachloride or trichlorethylene
- **Emulsifies Soils** - Picks up greasy soils and holds them in suspension so they can easily be wiped or rinsed away
- **Leaves no film** - Paintable surfaces cleaned with Citrus Supreme are ready for painting and polished surfaces have no streaks or spots
- **Strong degreasing action** - Citrus Supreme's fast emulsifying cleaning action penetrates grime for quick cleaning of iron, steel, aluminum surfaces, most plastics, rubber, concrete and glass surfaces
- **Economical** - Highly concentrated; can be diluted with water up to 50 to 1

TYPICAL APPLICATIONS:

Citrus Supreme is excellent for heavy duty cleaning of oils, greases, asphalts, vegetable oils, animal fats and heavily soiled surfaces.

Can be used on the following surfaces:

Formica
Ceramic Tile
Glass
Ink Fountains
Exhaust Hoods
Polished Metals

Metals
Vinyl
Concrete
Plastics
Industrial Equipment
Printing Presses

Finished Woods
Printing Rollers
Stone
Linoleum
Engines
Butcher Blocks

And most other applications requiring a concentrated, heavy duty cleaner

DIRECTIONS FOR USE:

Can be used full strength as a heavy-duty degreaser or can be diluted with water up to 50 parts of water to one part **Citrus Supreme**
