

SAFETY SOLVENT II

No. 870

DESCRIPTION:

Safety Solvent II is a non-flammable heavy-duty solvent degreaser designed to remove oil and grease deposits. Use for general purpose cleaning or for final hand degreasing of finished parts. This product has a slower evaporation rate than most aerosol solvents, this allows for a more thorough cleaning of heavily soiled surfaces.

FEATURES:

- Non-Flammable
- Leaves no residue
- Rapidly removes grease, oil and grime
- Safe for use on painted surfaces
- Low odor

TYPICAL APPLICATIONS:

Construction Equipment
Electric Motors
Equipment Controls
Auto & Truck Fleets

Agricultural Equipment
Electric Panels
Auto Electronics
Parts Degreasing

Mining Equipment
Fork Lifts
Relays
Manufacturing

...and many other applications requiring a heavy duty residue free cleaner and degreaser

DIRECTIONS:

Apply generously with actuator close to the surface. Use handy extension tube for hard to reach areas. Allow to air dry or wipe with a clean cloth.
