

## **Brake Parts Cleaner**

No. 876

### **DESCRIPTION:**

**Brake Parts Cleaner** is a heavy duty solvent degreaser designed to remove oil, brake fluid and grease deposits. Use for general purpose cleaning or for final hand degreasing of finished parts. **Brake Parts Cleaner** has a controlled evaporation rate that allows for a more thorough cleaning of heavily soiled surfaces.

### **FEATURES:**

- For professional use
- High spray pressure
- Rapidly removes grease, oil and grime
- Leaves no residue
- Non chlorinated
- Hexane free
- Ultralow VOC
- Approved for use in California
- Approved for use in all fifty states

### **TYPICAL APPLICATIONS:**

Brake pads  
Brake rotors  
Brake drums  
Calipers

Bake cylinders  
Clutch discs  
Pressure plates  
Fly wheels

Parts degreasing  
Cleaning working areas  
Cleaning Tools  
Cleaning chains & sprockets

...and many other applications requiring a heavy duty residue free cleaner and degreaser.

### **DIRECTIONS:**

Apply generously with actuator close to the surface. Use handy extension tube for hard to reach areas. Allow to air dry or wipe with a clean cloth.

### **CAUTION:**

Flammable
